Notes to the notice of the Annual General Meeting:

1. Members are entitled to appoint a proxy to exercise all or any of their rights to attend and to speak and vote on their behalf at the meeting. A shareholder may appoint more than one proxy in relation to the Annual General Meeting provided that each proxy is appointed to exercise the rights attached to a different share or shares held by that shareholder. A proxy need not be a shareholder of the Company. A proxy form which may be used to make such appointment and give proxy instructions accompanies this notice. If you do not have a proxy form and believe that you should have one, or if you require additional forms, please contact the Company's Registrars, Computershare Investor Services PLC at The Pavilions, Bridgwater Road, Bristol BS99 6ZY.
2. To be valid any proxy form or other instrument appointing a proxy must be received by post or (during normal business hours only) by hand at the Company's Registrars, Computershare Investor Services PLC at The Pavilions, Bridgwater Road, Bristol BS99 6ZY in each case no later than 11.30 a.m. on 26 June 2012.
3. The return of a completed proxy form, other such instrument or any CREST Proxy Instruction (as described in paragraph 6 below) will not prevent a shareholder attending the Annual General Meeting and voting in person if he/she wishes to do so.
4. To be entitled to attend and vote at the Annual General Meeting (and for the purpose of the determination by the Company of the votes they may cast), shareholders must be registered in the Register of Members of the Company by 11.30 a.m. on 26 June 2012 (or, in the event of any adjournment, on the date which is two days before the time of the adjourned meeting). Changes to the Register of Members after the relevant deadline shall be disregarded in determining the rights of any person to attend and vote at the meeting.
5. CREST members who wish to appoint a proxy or proxies through the CREST electronic proxy appointment service may do so by using the procedures described in the CREST Manual. CREST Personal Members or other CREST sponsored members, and those CREST members who have appointed a service provider(s), should refer to their CREST sponsor or voting service provider(s), who will be able to take the appropriate action on their behalf.
6. In order for a proxy appointment or instruction made using the CREST service to be valid, the appropriate CREST message (a “CREST Proxy Instruction”) must be properly authenticated in accordance with Euroclear UK & Ireland Limited's specifications, and must contain the information required for such instruction, as described in the CREST Manual (available via www.euroclear.com/CREST). The message, regardless of whether it constitutes the appointment of a proxy or is an amendment to the instruction given to a previously appointed proxy must, in order to be valid, be transmitted so as to be received by the issuer's agent (ID 3RA50) not less than 48 hours before the time appointed for the meeting. For this purpose, the time of receipt will be taken to be the time (as determined by the time stamp applied to the message by the CREST Application Host) from which the issuer's agent is able to retrieve the message by enquiry to CREST in the manner prescribed by CREST. After this time any change of instructions to proxies appointed through CREST should be communicated to the appointee through other means.

7. CREST members and, where applicable, their CREST sponsors, or voting service providers should note that Euroclear UK & Ireland Limited does not make available special procedures in CREST for any particular message. Normal system timings and limitations will, therefore, apply in relation to the input of CREST Proxy Instructions. It is the responsibility of the CREST member concerned to take (or, if the CREST member is a CREST personal member, or sponsored member, or has appointed a voting service provider, to procure that his CREST sponsor or voting service provider(s) take(s)) such action as shall be necessary to ensure that a message is transmitted by means of the CREST system by any particular time. In this connection, CREST members and, where applicable, their CREST sponsors or voting system providers are referred, in particular, to those sections of the CREST Manual concerning practical limitations of the CREST system and timings.
8. The Company may treat as invalid a CREST Proxy Instruction in the circumstances set out in Regulation 35(5)(a) of the Uncertificated Securities Regulations 2001.
9. Any corporation which is a member can appoint one or more corporate representatives who may exercise on its behalf all of its powers as a member provided that they do not do so in relation to the same shares.
10. A copy of this notice can be found at www.ludorum.com.

Explanatory Notes to the Notice of Annual General Meeting

The notes on the following pages give an explanation of the proposed resolutions.

Resolutions 1 to 5 are proposed as ordinary resolutions. This means that, in order for each of those resolutions to be passed, more than half of the votes cast must be in favour of the resolution.

Resolution 6 is proposed as a special resolution. This means that, in order for the resolution to be passed, at least three-quarters of the votes cast must be in favour of that resolution.

Resolution 1 (annual report and accounts)

The directors of the Company must present to the meeting the audited annual accounts and the directors' and auditors' report for the financial year ended 31 December 2011.

Resolutions 2 and 3 (appointment and remuneration of auditors)

The Company must appoint auditors at each general meeting at which accounts are presented to shareholders to hold office until the conclusion of the next such meeting. Resolution 2 seeks shareholder approval to re-appoint PricewaterhouseCoopers LLP as the Company's auditors. In accordance with normal practice, Resolution 3 seeks authority for the Company's directors to fix their remuneration.

Resolution 4 (remuneration report)

The Company's shareholders are being asked to approve the remuneration report set out on pages 9 to 11 in the annual report and accounts at the Annual General Meeting and resolution 4 is drafted accordingly.

Resolution 5 (authorise directors to allot relevant securities)

Paragraph 5.1 of resolution 5 would give the directors the authority to allot shares in the Company and grant rights to subscribe for or convert any security into shares in the Company up to an aggregate nominal value of £32,883. This represents approximately one third of the ordinary share capital of the Company in issue at 31 May 2012 (being the last practicable date prior to the publication of this notice).

The directors' authority will expire on the earlier of 15 months after the date of the passing of this resolution and the conclusion of the Annual General Meeting of the Company in 2013. The directors have no present intention to make use of the authority sought under this resolution, but they consider it desirable to have the maximum flexibility permitted by corporate governance guidelines. As at the date of this notice the Company does not hold any ordinary shares in the capital of the Company in treasury.

Resolution 6 (disapplication of pre-emption rights)

Under company law, when new shares are allotted for cash or treasury shares are sold (otherwise than pursuant to an employee share scheme), they must first be offered to existing shareholders pro rata to their holdings. This special resolution renews, for the period ending on the earlier of 15 months after the date of the passing of this resolution and the conclusion of the Annual General Meeting of the Company in 2013, the authorities previously granted to the directors to: (a) allot shares of the Company and sell treasury shares for cash in connection with a rights issue or other pre-emptive offer; and (b) otherwise allot shares of the Company, or sell treasury shares, for cash up to an aggregate nominal value of £4,925 (representing in accordance with institutional investor guidelines, approximately 5% of the total ordinary share capital in issue as at 31 May 2012) (being the last practicable date prior to the publication of this notice).
